Among the kinds of appointments, for lists of eligible candidates, under the New Rules of Recruitment, are included the following kind:- [Vide Rule 15].

(a) Tutorial Staff of the University below the grade of an Asst. Professor. This includes Univ. appts. like Lecturers Demonstrators, Tutors etc in the several Departments ~~of the Univ~~ of teaching Subjects, of the Univ.

(b) Tutorial Staff of the Education Dept., in High Schools. This includes ~~Assts~~ Teachers and Assistant Masters of the High School Staff, belonging to the several teaching Subjects,

Accordingly, in our Notification (H.G.) calling for applications for admission to Service in respect of the different kinds of appointments, the above two kinds were also included.

Just after the issue of the Notification, it was felt & was also observed by the Member that these two kinds of appts. had better be kept out of the lists, ~~the~~ because, there would be ~~practical~~ practical difficulty in preparing

lists for them, in view of the several teaching subjects (e.g. English, History, Physics, Chemistry, Biology, Kannada, Sanskrit, etc). The difficulty is, that it is not possible to forecast now in which subject section, there would be a vacancy that, for appointment in a vacancy of a particular subject section, a qualified hand in that subject only would be needed & the candidate in the order in the list may not be a qualified hand in that subject. In view of this practical difficulty & general desirability it was felt that the vacancies in these two kinds of appts had to be individually advertised as before mentioning the subject, after the actual occurrence of the vacancy, & that standing lists are not possible or desirable. This point has also been brought to notice by the Govt, & we have (vide Govt N file). since advertised separately some vacancies that were since reported.

In these circs there would be no need to prepare lists for these two kinds of appts. As the notification had already issued, it was ordered that orders may be taken at the time of the lists.

If approved, these two kinds of appts will be excluded from the kinds of appts for standing lists. The appns for these kinds that have been received will be kept by, & the vacancies will, after occurrence & reportation, be individually

No. 6143 /C.R.B.1-34-34 Dated, Bangalore, 29th December 1934 3.5

From

The *General Secretary to the Government of His Highness the Maharaja of Mysore.*

To

The Director of Public Instruction in Mysore.

Bangalore.

Sir,

I am directed to refer to item (vi) of Rule 15 of the Revised Rules of Recruitment issued with Government Order No. 6-105/CRB.1-34-1 dated 3rd July 1934 with regard to the appointments (1) on the tutorial staff of the University and (2) on the tutorial staff of the Education Department.

2. These two kinds of appointments are therein included in the list of the kinds of appointments for standing lists of eligible candidates for recruitment as vacancies occur. The Notification No. 2015/CRB.20-34-1 dated 11th September 1934, issued subsequently, calling for applications for admission to service, for vacancies that may occur during the year is in respect of these two kind of appointments, also, among others. The question of leaving out these two kinds of appointments from among the kinds of appointments for the standing lists of candidates has been further considered since, in view of the practical difficulty in preparing suitable standing lists for these two kinds of appointments as there are several teaching subjects and as it is not possible to forecast in which subject there would be a vacancy for recruitment, and of the general desiribility for advertisement, in the Gazette from the Central Recruitment Board, as hitherto, of each individual vacancy after its occurrence mentioning the particular teaching subject for the requisite qualifications.

3. In the circumstances, it has been decided now that the appointments on the tutorial staff of the University and of the High Schools in the Education Department may be excluded for the list of

of the kinds of appointments, for standing lists, and that the vacancies therein may be disposed of as hitherto, after due advertisement through the Central Recruitment Board of each individual vacancy mentioning the required subject in the qualifications.

4. I am therefore to state that there will be no - standing lists of eligible candidates, prepared for these two kinds of appointments, and that each vacancy therein may, as and after it actually occurs be dealt with as hitherto, i.e., it may be duly registered, classified into special or general and reported in the prescribed statement to the Central Recruitment Board, mentioning the required subject in the qualifications for - advertisement in the Gazette, the selection being made as per rules, from among the Central Recruitment Board applicants - received in response to the Cehtral Recruitment Board advertisement.

I have the honour to be,

Sir,

Your most obedient servant,

General Secretary to Government.
